17 promote the health, welfare and safety of the residents of each
18 of the Counties and municipalities of the State of Maryland.

5 the State of Maryland and Harford County, Maryland.

17 the issuance and sale of the Bonds and the execution and delivery
18 of the Agreements are to be without any liability of any kind

MEMORANDUM

TO: William O. Whiteford, Acting Treasurer
FROM: Clifton M. Dowling, Coordinator Commission On Aging
SUBJECT: Senior Citizens Center

Clifton M. Dowling

At our meeting in your office on 28 May 80 with Rosemary Logan, Richard Herbig, John Scotten, Norma Kershner, Joel Hinojosa and Bual Holbrook, it was concluded that in order to pursue the acquisition of the St. Margaret's Convent property on Hickory Avenue, Bel Air for use as a Senior Citizens Center, it would be necessary to transfer the capital funds from the present Senior Citizens Center Construction Project on Boulton Street in Bel Air to the new project.

The following information is submitted in support of the request for the transfer of capital funds:

The original project budget for the Senior Citizens Center totaled \$631,500. This total represents a total of \$195,000 in HUD block grant funds and \$436,400 in Harford County bond-issue funds. A total of \$111,568.16 of HUD funds has been spent on the project to date. This includes site acquisition, engineering and architectural fees, etc. This leaves a remainder of \$83,431.84 in HUD funds; this added to \$436,400.00 equals \$519,832.84.

According to John Scotten, HUD has given Harford County their permission to use the remaining \$83,431.84 on the new project, but has requested that Harford County reimburse the \$111,568.16 spent to date. It is therefore necessary to request that \$111,568.16 be transferred from the Harford County bond-issue capital funds available for the Senior Citizens Center Project to reimburse HUD. This would leave a total of \$324,831.84 in Harford County bond-issue capital funds available for the St. Margaret's Convent Acquisition Project, plus the remaining \$83,431.84 in HUD funds, for a total of \$408,263.68 available for the new project.

It is therefore requested that \$111,568.16 in Harford County Bond-Issue Capital Project funds be transferred for the purpose of reimbursing HUD. It is further requested that the remaining \$324,831.84 in Harford County funds and remaining \$83,431.84 in HUD funds be transferred to the St. Margaret's Convent project for the aforementioned total of \$408,263.68. \$305,000 of this

80-38

SUBJECT: Senior Citizens Center

amount is required for the purchase of the St. Margaret's Convent property on Hickory Avenue. The remaining \$103,263.68 is required for renovation of the building to make it suitable for a Senior Citizens Center and Commission On Aging office space.

In addition, Harford County retains ownership of the Boulton Street Property, the disposition of which remains to be determined.

20 allowance shall be phased in commencing on 1 July 1980. The
21 shortfall in revenues caused by the phase-in shall come from the

3. Term and Rental. This lease, and all terms hereof, shall be binding as of the date of execution; however, the lease term shall commence on the first day of the month following notice given by FNB that the vehicle is ready for acceptance by Lessee, and shall continue for a period of _____ months. The Lessee agrees to pay a monthly rental of \$_____ for each month of the term of the lease, the first and last of which rental payments shall be due and payable upon execution of this Lease. The second monthly rental payment shall become due and payable on the _____ day of _____, 19____ and subsequent rental payments shall be due and payable on the same day each month thereafter until all rental payments of this Lease have been paid. If the Lessee defaults in payment of any rental payment for ten or more days, the Lessee agrees to pay FNB a delinquency charge of the lessor of \$5.00 or 5% of the rental payment for each such default.

The Lessee shall pay, upon notification of the availability of the vehicle for lease, a total delivery payment consisting of the vehicle rental for the remaining portion of the month in the amount of \$_____.

If FNB consents, the Lessee may extend the term of this Lease for a period to be agreed upon by FNB and the Lessee. The monthly rental payment for each month of such extended term shall be the same as the monthly rental payments provided for above. In the event of any such extension the residual value set forth shall be reduced by the amount of the monthly depreciation factor set forth above for each month of such extended term.

4. Disclaimer of Warranty. The vehicle is covered by the warranty of the manufacturer, and the Lessee shall be entitled to the benefit of that warranty during the term of this Lease and any extension hereof so long as such warranty is in effect. The Lessee acknowledges that he is familiar with, or has had the opportunity to familiarize himself with, the manufacturer's warranty, and the Lessee acknowledges that the manufacturer's warranty is acceptable to him. THE LESSEE EXPRESSLY UNDERSTANDS AND AGREES THAT FNB HAS NOT MADE, DOES NOT MAKE, AND WILL NOT MAKE ANY EXPRESS OR IMPLIED WARRANTY OF ANY KIND THAT THE VEHICLE IS MERCHANTABLE OR FIT FOR ANY PARTICULAR PURPOSE OR USE. The Lessee accepts the manufacturer's warranty in lieu of any express or implied warranty concerning the vehicle by FNB. No dispute or disagreement between the Lessee and the manufacturer about the warranty shall affect the Lessee's obligations to FNB under this Lease. No defect in the vehicle shall relieve the Lessee from its obligations under this Lease.

5. Maintenance and Repairs. Except for such maintenance and servicing of the vehicle as are provided by the manufacturer of the vehicle under the manufacturer's warranty, the Lessee shall be responsible for and shall pay for all gasoline, oil, antifreeze, tires, batteries, and other parts, equipment, maintenance, and services which are necessary to the operation of the vehicle and to maintain the vehicle in good and efficient working order and condition. Except to the extent that such repairs may be provided by the manufacturer under its warranty or by collectible insurance, the Lessee shall also be responsible for and shall pay for repairs to the vehicle. The Lessee agrees to maintain the vehicle in good and efficient working order and to repair any and all damage to the vehicle promptly after the occurrence of such damage. Any and all personal property and equipment added to the vehicle shall become a part of the vehicle by accession and the property of FNB, without charge to FNB. The Lessee agrees to surrender the vehicle to FNB at the end of the term of this Lease or any extension hereof (or upon earlier termination hereof) in good and efficient working order, repair, and condition, ordinary wear and tear excepted. If the Lessee shall fail to observe or perform any term of this paragraph, FNB shall have the option, but no obligation, to perform such term and shall charge the expense and cost hereof to the Lessee. The Lessee shall not be entitled to be reimbursed by FNB for any sums expended by the Lessee pursuant to this paragraph.

6. Registration, Inspection, and Taxes. FNB shall obtain title, registration and license plates for the vehicle from the Maryland Department of Motor Vehicles in the name of FNB. FNB shall bear the expense of having the vehicle inspected as required by the laws of the State of Maryland prior to delivery of the vehicle to the Lessee, but the Lessee shall be responsible for having the vehicle inspected in each subsequent year of the term of this Lease and any extension hereof and shall bear the expense thereof. The Lessee shall pay all ad valorem taxes on the vehicle during the term of this Lease and any extension hereof. FNB will submit a bill to the Lessee for such taxes each year. The Lessee shall pay all other taxes and all other charges of any kind which may be payable by reason of the use, operation, storage, or possession of the vehicle during the term of this Lease and any extension hereof.

7. Insurance. During the term of this Lease and any extension hereof the Lessee shall maintain in continuous force and effect and pay for the following insurance on the vehicle:

- Automobile liability insurance with limits of not less than \$100,000 for any one person for injury or death, \$300,000 for any one accident for injury or death, and \$50,000 for property damage; and
- Comprehensive fire and theft insurance with not more than \$100.00 deductible; and
- Collision and upset insurance with not more than \$100.00 deductible; and
- Such other insurance as FNB may require from time to time.

All of the above insurance shall be paid for by the Lessee. The insurance described above shall cover FNB as the insured and the owner of the vehicle, shall be payable to or for FNB and shall be provided by insurance companies selected by the Lessee and approved by FNB. The Lessee shall provide FNB with evidence of the existence of all of the above insurance, including copies of the policies and receipts for payment of the premiums thereon upon delivery of the vehicle to the Lessee and at such times during the term of this Lease and any extension hereof as FNB may require. If the proceeds of any such insurance shall become payable to FNB, FNB shall have the option to use such proceeds to replace or repair the vehicle or to apply such proceeds toward satisfaction of the Lessee's obligations to FNB hereunder. The Lessee also agrees to comply with all terms and conditions of the insurance policies covering the vehicle. The Lessee agrees to give FNB immediate notice of any loss, damage, theft, or destruction of the vehicle and of any accident in which the vehicle is involved. The Lessee assumes and shall bear the entire risk of loss, damage, theft, and destruction of the vehicle from any and every cause whatsoever during the term of this Lease and any extension hereof, and the Lessee agrees that no such loss, damage, theft, or destruction of the vehicle shall release the Lessee from his obligations to FNB under this Lease.

8. Indemnity. The Lessee agrees to indemnify FNB and hold FNB harmless from any and all loss, damage, claims, demands, expenses and costs which FNB may incur by reason of any breach or violation of any term or provision of this Lease or by reason of the Lessee's failure to observe or perform any term or provision of this Lease. The Lessee also agrees to indemnify and hold FNB harmless from any loss, damage, theft, or destruction of the vehicle during the term of this Lease and any extension hereof. The Lessee also agrees to indemnify and hold FNB harmless from any loss, damage, injury, claim, demand, expense and cost incurred by FNB arising out of or connected with the use, operation, or condition of the vehicle during the term of this Lease and any extension hereof.

9. Use of Vehicle. The vehicle shall be used and operated in a careful manner and in compliance with all laws and ordinances during the term of this Lease and any extension hereof. The vehicle shall not be abused or misused or operated for any illegal purpose or by any person who is under the influence of alcohol or any drug. Nor shall the vehicle be used in any manner or for any purpose that would cause the insurance provided for herein to be suspended, cancelled, inapplicable, or increased in cost. FNB shall have the right to inspect the vehicle at any reasonable time or times, and the Lessee shall advise FNB of the exact location of the vehicle upon request by FNB.

10. Events of Default. The following shall constitute events of default under this Lease:

- (a) The Lessee fails to pay when due any rental payment or other sum provided for herein to be paid to FNB.
- (b) The Lessee fails to maintain in full force and effect throughout the term of this Lease and any extension hereof any insurance provided for herein.
- (c) The Lessee fails duly to observe or perform any other term or provision of this Lease.
- (d) Any bankruptcy, reorganization, receivership, insolvency, arrangement or other proceeding for the relief of debtors is commenced by or against Lessee, or Lessee makes any assignment for the benefit of Lessee's creditors, or any trustee or receiver is appointed for Lessee or any property of the Lessee.
- (e) The Lessee makes or suffers any voluntary or involuntary assignment of the Lessee's interest in the vehicle or this Lease, or lien, attachment, or levy is made on or against the vehicle.
- (f) The Lessee, if a corporation, ceases to do business as a going concern.
- (g) The Lessee has or acquires any record or reputation for violating any laws relating to intoxicating beverages or narcotics, or Lessee uses the vehicle or permits the vehicle to be used for any unlawful purpose.
- (h) FNB reasonably deems itself insecure or its prospects for payment under this Lease impaired.

11. Remedies Upon Default. Upon the occurrence of any of the aforesaid events of default FNB shall have the right to terminate this Lease without releasing the Lessee from any of the Lessee's obligations under this Lease, to accelerate the time for payment of all rental payments provided for herein, to demand and receive immediate possession of the vehicle, and to exercise any other remedies it may have against the Lessee under this Lease or otherwise. If the Lessee fails to surrender possession of the vehicle to FNB upon termination of this Lease, the Lessee fails to surrender possession of the vehicle to FNB upon expiration of the term of this Lease or any extension hereof, FNB shall have the right to enter upon any premises where the vehicle may be located and to remove the vehicle therefrom.

12. Sale of Vehicle. At the expiration of the term of this Lease or any extension hereof, the vehicle shall be disposed of as follows:

(a) If the Lessee desires to purchase the vehicle the Lessee shall so notify FNB prior to the expiration of this Lease and tender to FNB in cash, within five days after the expiration of this Lease, (i) the residual value of the vehicle, which is set forth in paragraph 1 above, (ii) all unpaid rental payments which are provided for herein, and (iii) all other sums owed FNB pursuant to this Lease. Upon receipt of all such sums FNB shall convey title to the vehicle to the Lessee. If the Lessee wishes, FNB will consider financing the purchase of the vehicle for the Lessee.

(b) If the Lessee desires to sell the vehicle to a third party, the Lessee shall so notify FNB prior to the expiration of the term of this Lease and shall tender or cause to be tendered to FNB in cash, within five days after the expiration of this Lease, (i) the residual value of the vehicle, which value is set forth in paragraph 1 above, (ii) all unpaid rental payments which are provided for herein, and (iii) all other sums owed FNB pursuant to this Lease. If the vehicle is sold by the Lessee for less than the residual value, all unpaid rental payments, and all other sums owed FNB under this Lease, the Lessee shall be liable and responsible to FNB for any deficiency. The Lessee shall have no obligation to convey title to the vehicle to any third party until FNB has received the full amount of the residual value of the vehicle from the third party or the Lessee, together with all unpaid rental payments and all other sums owed by the Lessee under the term of this Lease. If the vehicle is sold by the Lessee for more than the residual value of the vehicle, any unpaid rental payments and any other sums owed FNB under this Lease, the Lessee shall be entitled to receive and retain the surplus.

(c) If the Lessee does not purchase the vehicle or arrange for the sale of the vehicle to a third party upon expiration or termination of this Lease, the Lessee shall deliver the vehicle to FNB or to such location as FNB shall specify. FNB shall then make such repairs to the vehicle or recondition the vehicle to the extent it deems appropriate and sell the vehicle to the highest of any three wholesale bidders. FNB shall select or to the highest bidder at any automobile auction. The cost of any such repairs or reconditioning of the vehicle shall be charged to the Lessee. If the vehicle is sold for less than the residual value of the vehicle, any unpaid rental payments and all other sums owed FNB under this Lease, the Lessee shall pay the deficiency to FNB upon demand by FNB. If the vehicle is sold for more than the residual value of the vehicle, any unpaid rental payments and all other sums owed FNB under this Lease, the excess shall be paid to the Lessee by FNB. The expenses of any such sale shall be charged to the Lessee.

13. Termination. The Lessee shall not have any right to terminate this Lease prior to the expiration of the term of this Lease. However, if this Lease is terminated by FNB or, with the consent of FNB by the Lessee prior to the expiration of the term of this Lease, the following shall be applicable: (a) The Lessee shall not be released from any of the Lessee's obligations to pay the rental payments or any of the Lessee's other obligations under this Lease. (b) If any such termination occurs during the first twelve months of the term of this Lease, the Lessee shall be obligated to pay to FNB the sum of (i) the unpaid monthly rental payments for all of the first twelve months of the term of this Lease, (ii) the monthly depreciation factor set forth in paragraph 1 above plus 10% thereof for each month of the term of this Lease after the first twelve months of the term of this Lease, (iii) the residual value of the vehicle, and (iv) any other sums owed FNB pursuant to this Lease. (c) If such termination occurs after the first twelve months of the term of this Lease but before the expiration of the term of this Lease, the Lessee shall be liable to FNB for the sum of (i) the monthly depreciation factor set forth in paragraph 1 above plus 10% thereof for each month of the unexpired term of this Lease at the time of termination, and (ii) the residual value of the vehicle, and (iii) any other sums owed FNB pursuant to this Lease.

In the event of any such termination of this Lease, the vehicle shall be sold by FNB to the Lessee or any third party for the highest of the three wholesale bidders selected by FNB or to the highest bidder at any automobile auction. The net proceeds of such sale, after deducting the expenses of repair, reconditioning, and selling the vehicle, shall be applied to the sums owed FNB as provided in this paragraph 13. If the net proceeds of the sale are less than the sums owed pursuant to this paragraph 13, the Lessee shall pay such deficiency to FNB upon demand by FNB. If the net proceeds of the sale are greater than the sums owed FNB pursuant to this paragraph 13, the surplus shall be paid to the Lessee.

14. Destroyed or Lost Vehicle. If the vehicle is lost, stolen, destroyed, or becomes a constructive total loss the Lessee shall promptly notify FNB thereof and hold any salvage for FNB. FNB shall dispose of such salvage and apply the proceeds of the sale thereof to the Lessee's obligations hereunder. The Lessee assumes and shall bear the entire risk of loss, theft, damage, or destruction of the vehicle from any and every cause. No loss, theft, damage, or destruction of the vehicle shall affect the Lessee's obligation to pay the rental payments. The residual value of the vehicle to FNB as provided herein. Repossession or sale of the vehicle shall not affect FNB's rights to recover damages from the Lessee which FNB may sustain. FNB's rights and remedies in the event of expiration or termination of this Lease shall not be excluded but shall be cumulative and in addition to all other rights and remedies of FNB.

15. Consequential Damages. FNB shall not be liable for any failure or delay in delivering the vehicle to the Lessee due to fire or other casualty, labor difficulty, governmental restriction, or any other cause beyond FNB's control. In no event shall FNB be liable for any loss of profits, consequential damages, inconvenience, rental or any replacement vehicle, or other damages due to any theft, damage, loss, defect, failure of the vehicle or the time consumed in recovering, repairing, servicing, or replacing the vehicle, and there shall be no abatement or interruption of the rental payments during any such time.

16. Subletting. The Lessee shall not sublet the vehicle without FNB's prior written consent. No subletting of the vehicle shall release the Lessee from its obligations to FNB under this Lease unless FNB otherwise agrees in writing. Nor shall the Lessee have any right to transfer or assign his interest in the vehicle or this Lease without FNB's prior written consent. The Lessee agrees that this is a lease only and that the Lessee has no ownership or other rights in or to the vehicle except as specifically provided herein. The Lessee shall not grant or permit to any third party any security interest, lien, charge, or other encumbrance against the vehicle. If any such encumbrance or charge shall arise against the vehicle, FNB shall have the option, but no obligation, to discharge such encumbrance or charge and charge the expense thereof to the Lessee.

17. Accidents. The Lessee shall give FNB and the insurers of the vehicle immediate notice of any damage to the vehicle or of any accident in which the vehicle may be involved. If any suit is commenced by reason of the use, operation, or condition of the vehicle, the Lessee shall give FNB immediate notice thereof, shall provide FNB with copies of all demands, notices, summonses, complaints, process, or other pleadings received by Lessee in connection therewith, and shall cooperate with and assist FNB in such action.

18. Binder. This Lease shall be binding upon, and shall inure to the benefit of, the Lessee and FNB.

19. Lease Agreement. This lease contains the final and entire agreement between the parties hereto, and neither they nor their agents shall be bound by any terms, conditions or representations not herein written.

20. Assignment. FNB shall have the right to transfer and assign this Lease and the motor vehicle covered hereby, and shall particularly but not by way of limitation, have the right to make such transfer of assignment to any other party. In the event of any such assignment and upon written notice thereof from FNB to Lessee, the Lessee shall make any and all subsequent payments pursuant to the terms of the Dealer Lease Agreement between FNB and the Lessee.

BILL NO. 81-8

RECITALS

Sections 266A to 266-I, inclusive, of Article 41 of the Annotated Code of Maryland (1978 Replacement Volume and 1980 Cumulative Supplement), as amended (the "Act"), empowers all the counties and municipalities of the State of Maryland to borrow money by issuing revenue bonds for the purpose of financing the cost of acquiring any industrial building or buildings (as defined in the Act). The Act declares it to be the legislative purpose to relieve conditions of unemployment in the State of Maryland, to encourage the increase of industry and a balanced economy in the State of Maryland, to assist in the retention of existing industry in the State of Maryland through the control, reduction or abatement of pollution of the environment (where proceeds of the bonds are used for that purpose), to promote economic development, to protect natural resources and in this manner to promote the health, welfare and safety of the residents of each of the counties and municipalities of the State of Maryland.

Harford County, Maryland, a body politic and corporate and a political subdivision of the State of Maryland (the "County"), has received a letter of intent dated November 8, 1980 (the "Letter of Intent") from Aberdeen Centre, Inc., a Maryland corporation (the "Borrower"), an "industrial concern" as mentioned in the Act, pursuant to which the Borrower has requested the County to participate in the financing of the acquisition (within the meaning of the Act) of an industrial building (within the meaning of the Act) to be located in Harford County, Maryland (the "Industrial Building") by the issuance and sale by the County of its industrial development revenue bonds in the aggregate principal amount not to exceed \$1,000,000, pursuant to and in accordance with the Act. Pursuant to Resolution No. 3-81 (the "Preliminary

1 Resolution"), adopted by the County Council of the County
2 (the "County Council") on January 13, 1981 and effective on
3 January 26, 1981 (after acceptance and execution of the
4 Letter of Intent by the County Executive of the County and
5 the County Council President), the County has indicated its
6 commitment to issue and sell its industrial development
7 revenue bonds and to loan the proceeds thereof to the Borrower
8 for the purpose of financing the acquisition of the Industrial
9 Building by the Borrower. Based upon the findings and
10 determinations set forth in the Preliminary Resolution and
11 the findings and determinations set forth below, the County
12 has determined to participate in the financing of the
13 Industrial Building by the issuance, sale and delivery, at
14 any time or from time to time, of its industrial development
15 revenue bonds to be designated "Harford County, Maryland
16 Industrial Development Revenue Bonds (Aberdeen Centre, Inc.
17 Project)", in the aggregate principal amount not to exceed
18 \$1,000,000 (the "Bonds"), and loaning the proceeds of the
19 Bonds to the Borrower (the "Loan") upon the terms and
20 conditions of a loan agreement or other similar agreement to
21 be entered into between the County and the Borrower (the
22 "Loan Agreement"), as permitted by the Act.

23 The Loan Agreement will require the Borrower (a) to use
24 the proceeds of the Bonds solely to finance the acquisition
25 of the Industrial Building and to pay such other costs as
26 may be permitted by the Act, and (b) to make Loan payments
27 which will be sufficient to enable the County to pay the
28 principal of and interest and premium, if any, on the Bonds
29 when and as the same become due and payable.

30 The Industrial Building, which is an "industrial building"
31 as defined in Section 266A of the Act, will consist of (a)
32 the acquisition of a certain parcel of land containing

1 approximately 13.471 acres located on Belair Avenue and
2 Beards Hill Road in the Second District of Harford County,
3 Town of Aberdeen, Maryland (the "Land"), (b) the construction
4 on such Land of an industrial commercial facility containing
5 approximately 10,000 square feet (the "Building") and (c)
6 the acquisition and/or construction of roads or other rights
7 of access, utilities and other necessary land and facilities.
8 The Borrower will lease the Building and a portion of the
9 Land to the State Motor Vehicle Administration of the State
10 of Maryland (the "MVA") for use by the MVA as office facilities
11 and a driving test area.

12 As security for the Bonds, the County will enter into
13 either (a) a trust agreement, or some similar instrument or
14 agreement (the "Trust Agreement") with a corporate trustee
15 (a "Trustee"), or (b) an assignment and security agreement,
16 or some similar instrument or agreement (the "Assignment")
17 with the original purchaser of the Bonds and, unless otherwise
18 determined by the County Council of the County (the "County
19 Council") in the Administrative Resolution (hereinafter
20 defined), a corporate trustee, which may be the original
21 purchaser of the Bonds (the "Project Fund Trustee"). Pursuant
22 to the Trust Agreement, the County will assign to a Trustee
23 or, pursuant to an Assignment, if an Assignment is entered
24 into, the County will assign to the original purchaser of
25 the Bonds (among other things) (a) all of the County's
26 right, title and interest in and to and remedies under the
27 Loan Agreement, including (without limitation) any and all
28 security referred to therein, excepting only the right of
29 the County to indemnification by the Borrower and to payments
30 to the County for expenses incurred by the County itself,
31 (b) the receipts and revenues of the County from the Loan
32 Agreement, (c) certain moneys which are at any time or from

1 time to time on deposit with the Trustee or the Project Fund
2 Trustee, as the case may be, (d) all right, title and interest
3 in and to and remedies with respect to any and all other
4 property of every description and nature from time to time
5 by delivery or by writing of any kind conveyed, pledged,
6 assigned or transferred, as and for additional security for
7 the Bonds, by the County or by anyone on its behalf or with
8 its written consent, to the Trustee or, if an Assignment is
9 entered into, to the original purchaser of the Bonds, and
10 (e) all of the County's right, title and interest in and to
11 and remedies under such other documents, including (without
12 limitation) mortgages, deeds of trust, guaranties and security
13 instruments as the County Council shall deem necessary to
14 effectuate the issuance, sale and delivery of the Bonds and
15 which the County Council shall approve by a resolution or
16 resolutions (the "Administrative Resolution") to be adopted
17 by the County Council prior to the issuance, sale and delivery
18 of the Bonds.

19 NOW THEREFORE, IN ACCORDANCE WITH THE ACT:

20 SECTION 1. BE IT ENACTED BY THE COUNTY COUNCIL OF
21 HARFORD COUNTY, MARYLAND, That acting pursuant to the Act,
22 it is hereby found and determined as follows:

23 (1) The issuance and sale of the Bonds by the
24 County pursuant to the Act in order to lend the proceeds
25 thereof to the Borrower for the sole and exclusive purpose
26 of financing the acquisition (within the meaning of the Act)
27 by the Borrower of the Industrial Building will facilitate
28 and expedite the acquisition of the Industrial Building by
29 the Borrower.

30 (2) The acquisition of the Industrial Building
31 and the financing thereof as provided in this Ordinance will
32 promote the declared legislative purposes of the Act by (a)

1 creating employment opportunities, thus relieving conditions
2 of unemployment in the State of Maryland and in Harford
3 County; (b) encouraging the increase of economic development
4 and the creation of a balanced economy in the State of
5 Maryland and in Harford County; and (c) promoting the health,
6 welfare and safety of the residents of the State of Maryland
7 and Harford County.

8 (3) In addition to authorizing the County itself
9 to acquire the Industrial Building and either to lease or to
10 sell the same to the Borrower, the Act, as an alternative
11 procedure, also authorizes industrial building financing to
12 be accomplished in the form of a loan by the County to the
13 Borrower. The loan form of transaction avoids indirect
14 costs and burdens on the County by not requiring any direct
15 involvement by the County in the acquisition, ownership or
16 administration of the Industrial Building, while permitting
17 ample controls to be imposed on the use of the proceeds of
18 the Bonds to insure that the public purposes of the Act and
19 the Bonds are fully accomplished. It is, therefore, in the
20 best interests of the citizens of the County to finance the
21 acquisition of the Industrial Building by a loan to the
22 Borrower. This Ordinance contemplates and authorizes a
23 transaction in the form of a loan of the proceeds of the
24 Bonds by the County to the Borrower, rather than a transaction
25 in the form of a lease or sale of the Industrial Building.
26 Accordingly, this Ordinance, together with the Administrative
27 Resolution, the Loan Agreement, the Trust Agreement or the
28 Assignment authorized hereby, and the other documents referred
29 to herein, contains, or shall contain, such provisions as
30 the County deems appropriate to effect the financing of the
31 acquisition by the Borrower of the Industrial Building by
32 the loan form of transaction.

1 (4) Neither the Bonds nor the interest thereon
2 shall ever constitute an indebtedness or general obligation
3 of the County or a charge against, or pledge of the general
4 credit or taxing powers of the County, within the meaning of
5 any constitutional or charter provision or statutory limitation,
6 and neither shall ever constitute or give rise to any pecuniary
7 liability of the County. The Bonds and the interest thereon
8 shall be limited obligations of the County, repayable by the
9 County solely from the revenue derived from Loan repayments
10 (both principal and interest) made to the County by the
11 Borrower under the Loan Agreement and from any other moneys
12 made available to the County for such purpose. The proceeds
13 of the Bonds will be paid directly to the Trustee or the
14 Project Fund Trustee to be held and disbursed by such Trustee
15 or Project Fund Trustee as provided in the Trust Agreement
16 or the Assignment to be approved by the County Council in an
17 Administrative Resolution. Payments equal to the principal
18 of and premium (if any) and interest on the Bonds will be
19 paid by the Borrower directly to a Trustee or to the holders
20 of the Bonds as provided in the Trust Agreement or, if an
21 Assignment is entered into, to the holders of the Bonds. No
22 such moneys will be commingled with the County's funds or
23 will be subject to the absolute control of the County, but
24 will be subject only to such limited supervision and checks
25 as are deemed necessary or desirable by the County to insure
26 that the proceeds of the Bonds are used to accomplish the
27 public purposes of the Act and this Ordinance. The transac-
28 tions authorized hereby do not constitute any physical
29 public betterment or improvement or the acquisition of
30 property for public use or the purchase of equipment for
31 public use. The public purposes expressed in the Act are to
32 be achieved by facilitating the acquisition of the Industrial

1 Building.

2 (5) The County will acquire no interest in the
3 Industrial Building other than (a) any general interest in
4 the Borrower's property shared by all holders of the Borrower's
5 obligations which rank and are secured equally with the
6 Borrower's obligations pursuant to the Loan Agreement, (b)
7 the lien and security interest created by the Loan Agreement
8 and (c) any interests created by any other mortgage or deed
9 of trust, a guaranty or other security instrument executed
10 and delivered by the Borrower or any third party as security
11 for the Loan as the County Council may provide for and
12 approve in the Administrative Resolution. The security for
13 the Bonds shall be solely and exclusively (a) the absolute,
14 irrevocable and unconditional obligation of the Borrower to
15 make the payments required by the Loan Agreement, (b) moneys
16 realized from the liquidation of any lien and security
17 interest created by the Loan Agreement and of any other lien
18 or security interest created with respect to any property as
19 security for the Loan or the Bonds as the County Council may
20 provide for and approve in the Administrative Resolution,
21 and (c) moneys realized from any guaranty of the Bonds or of
22 the Loan as the County Council may provide for and approve
23 in the Administrative Resolution.

24 (6) As required by Section 266G of the Act, the
25 County does hereby, and shall, by the execution and delivery
26 of the Trust Agreement or the Assignment, set aside and
27 pledge the income and revenue of the County from the Industrial
28 Building into a separate and special fund to be used and
29 applied in payment of the cost thereof. However, none of
30 such income and revenue shall be set aside as a depreciation
31 account (as mentioned in the Act), because such an account
32 would (a) be inconsistent with the transactions authorized

1 hereby, and (b) place an unreasonable burden on the Borrower
2 so as to adversely affect the feasibility of the transaction
3 and thus frustrate the legislative purposes of the Act. The
4 Borrower shall covenant and agree to properly operate and
5 maintain the Industrial Building during the time any of the
6 Bonds are outstanding. Such covenant and agreement shall
7 include a specific undertaking by the Borrower to make all
8 equipment replacements and repairs necessary to insure that
9 the security for the Bonds shall not be impaired.

10 (7) As evidenced by the Letter of Intent, the
11 Industrial Building is to be acquired by or for use by a
12 bona fide tenant or tenants or purchaser or purchasers and
13 by or for use by an industrial concern within the meaning of
14 the Act.

15 SECTION 2. AND BE IT FURTHER ENACTED BY THE COUNTY
16 COUNCIL OF HARFORD COUNTY, MARYLAND, That the County is
17 hereby authorized and empowered to issue and sell at any
18 time or from time to time and in one or more series, its
19 Harford County, Maryland Industrial Development Revenue Bonds
20 (Aberdeen Centre, Inc. Project), in the aggregate principal
21 amount not to exceed \$1,000,000, subject to the provisions
22 of this Ordinance. The proceeds of the Bonds will be loaned
23 to the Borrower pursuant to the terms and provisions of the
24 Loan Agreement, to be used by the Borrower for the sole and
25 exclusive purpose of financing the acquisition of the
26 Industrial Building. The Borrower will lease a portion of
27 the Industrial Building to the MVA for use by the MVA as
28 office facilities and a driving test area. The Bonds and
29 the interest thereon shall be limited obligations of the
30 County, repayable by the County solely from the revenue
31 derived from Loan repayments made to the County by the
32 Borrower pursuant to the Loan Agreement, and from any other

1 moneys made available to the County for such purpose. The
2 security for the Bonds shall be solely and exclusively as
3 provided in Section 1 of this Ordinance.

4 SECTION 3. AND BE IT FURTHER ENACTED BY THE COUNTY
5 COUNCIL OF HARFORD COUNTY, MARYLAND, Each of the Bonds shall
6 bear the descriptive title "Harford County, Maryland Industrial
7 Development Revenue Bond (Aberdeen Centre, Inc. Project)";
8 provided, that the descriptive title may contain such other
9 descriptive information as the County Council may prescribe
10 in an Administrative Resolution (e.g. "1981 Series").

11 SECTION 4. AND BE IT FURTHER ENACTED BY THE COUNTY
12 COUNCIL OF HARFORD COUNTY, MARYLAND, That the Bonds of any
13 series shall bear interest at such rate or rates as the
14 County Council may prescribe in the Administrative Resolution,
15 including an alternate rate of interest for any period
16 during which the interest payable on any of the Bonds of
17 such series is for any reason includible in the gross income
18 (as defined in Section 61 of the Internal Revenue Code of
19 1954, as amended) of the holder of any of the Bonds. Interest
20 on the Bonds shall be payable from such time and on such
21 dates as the County Council may prescribe in the Administrative
22 Resolution. The principal of the Bonds shall be payable on
23 such dates and in such amounts as the County Council may
24 prescribe in the Administrative Resolution.

30 thereof shall be impressed or otherwise reproduced thereon
31 and attested by the Director of Administration of the County,
32 by his manual signature. The Loan Agreement, the Trust

1 Agreement or the Assignment and, where applicable, all other

6 signature, and the corporate seal of the County or a
7 facsimile thereof shall be impressed or otherwise reproduced
8 thereon and attested by the Director of Administration of
9 the County by his manual signature. In case any officer
10 whose signature or a facsimile of whose signature shall
11 appear on the Bonds or any of the aforesaid documents shall
12 cease to be such officer before the delivery of the Bonds or
13 any of the other aforesaid documents, such signature or such
14 facsimile shall nevertheless be valid and sufficient for all
15 purposes, the same as if such officer had remained in office
16 until delivery. The County Executive of the County, the
17 Director of Administration of the County and other officials
18 of the County are hereby authorized and empowered to do all
19 such acts and things and execute such documents and certificates
20 as the County Council may determine in the Administrative
21 Resolution to be necessary to carry out and comply with the
22 provisions hereof.

23 SECTION 6. AND BE IT FURTHER ENACTED BY THE COUNTY
24 COUNCIL OF HARFORD COUNTY, MARYLAND, That the Bonds shall be
25 executed, issued and delivered in such amount or amounts as
26 the County Council shall prescribe in the Administrative
27 Resolution; provided, however, that the aggregate principal
28 amount of Bonds issued, sold and delivered pursuant to this
29 Ordinance shall not exceed \$1,000,000.

RECITALS

1
2 Sections 266(A) to 266(I), inclusive, of Article
3 41 of the Annotated Code of Maryland (1971 Replacement Volume
4 1979 Cumulative Supplement) as amended, (the "Act") empowers
5 all the Counties and Municipalities of the State of Maryland
6 to issue revenue bonds and to loan the proceeds of sale of such
7 revenue bonds to an industrial concern to finance the acquisition
8 (as defined in the Act) by such industrial concern of industrial
9 buildings (as defined in the Act). The Act declares it to be
10 the legislative purpose to relieve conditions of unemployment
11 in the State, to encourage the increase of industry and a
12 balanced economy in the State, to assist in the retention of
13 existing industry in the State through the control, reduction
14 or abatement of pollution of the environment (where the proceeds
15 of bonds are used for that purpose), to promote economic
16 development, to promote natural resources and, in this manner,
17 to promote the health, welfare and safety of the residents of
18 each of the Counties and municipalities of the State of Maryland.

19 Harford County, Maryland, (the "County") has deter-
20 mined to issue and sell its Harford County, Maryland, Industrial
21 Development Revenue Bonds (Delta Lumber & Building Supply Co.
22 Project), in an amount not exceeding \$250,000 (the "Bonds")
23 and to loan ("Loan") the proceeds of the Bonds to the Owner,
24 an industrial concern as mentioned in the Act, on the terms
25 and conditions set forth in agreements to be entered into by
26 and between the County, the Owner and others (the "Agreements"),
27 as provided by this Ordinance and in resolutions to be passed
28 from time to time by the County Council of Harford County,
29 Maryland, in order to finance the acquisition (within the meaning
30 of the Act) by the Owner of a certain industrial building
31 (within the meaning of the Act) in Harford County, Maryland
32

1 (the "Industrial Building"), and thereby relieve conditions of
2 unemployment in the State of Maryland and in Harford County,
3 Maryland, and thus encourage economic development and protect
4 the health, welfare and safety of the citizens of the State
5 of Maryland and Harford County, Maryland.

6 The Bonds will be sold at private (negotiated) sale
7 to Forest Hill State Bank (the "Bank") or any other purchaser
8 approved by resolution of the Harford County Council.

9 The Company will execute and deliver or cause to be
10 executed and delivered (a) a deed of trust ("Deed of Trust")
11 conveying the Industrial Building as security for the Loan
12 (b) such other Agreements as may be necessary or appropriate
13 to accomplish the foregoing and/or to provide security for the
14 purchasers of the Bonds and to indicate that the issuance and
15 sale of the Bonds and the execution and delivery of the Agree-
16 ments are to be without any liability of any kind on the part
17 of the County.

18 In order to insure that the proceeds of the Bonds and
19 the loan will be used for the purposes set forth in the Act,
20 the Company will enter into a trust agreement with certain
21 individual trustees (the "Trust Agreement") pursuant to which
22 the proceeds of the Bonds will be deposited with such trustees
23 and held, invested and disbursed by such trustees as therein
24 provided.

25 The County received a letter of intent from the
26 Owner dated December 1, 1980 (the "Letter of Intent"), requesting
27 the County to participate in the financing of the acquisition
28 of the Industrial Building in an amount not to exceed (\$250,000).
29 The Letter of Intent was approved by the County Council of
30 Harford County, Maryland, (the "County Council") by Resolution
31 Number 69-80, adopted on December 2, 1980 and accepted by the
32 County Executive and the President of the County Council on

1 December 2, 1980, subject to the adoption of this Ordinance.

2 NOW THEREFORE, in accordance with the terms and
3 provision of the Act and the Charter of Harford County, Maryland:

4 Section 1. BE IT ENACTED BY THE COUNTY COUNCIL OF
5 HARFORD COUNTY, MARYLAND, that acting pursuant to the Act, it
6 is hereby found and determined as follows:

8 in order to lend the proceeds thereof to the Company pursuant to
9 the Act for the sole and exclusive purpose of financing the

10 with respect to (A) the nature and extent of the security for
11 this bond, (B) the rights, duties and obligations of the County
12 (C) the terms upon which this Bond is issued and secured and

15 Delta Lumber & Building Supply Co. Project: and by the acceptance
16 of this Bond, the holder hereof assents to all of the provisions
17 of the Ordinance and Resolutions and agrees to be bound thereby.

18 This Bond is issued for the purpose of financing, in
19 whole or in part, the cost of the acquisition (as defined in
20 the Act) by David C. Galbreath trading as Delta Lumber &
21 Building Supply Co. of an Industrial Building (as defined in

31 This Bond and the redemption premium (if any) and
32 interest hereon shall not be deemed to constitute a debt or

1 a general obligation or a pledge of the faith and credit of
2 the State of Maryland or of Harford County, Maryland, and does
3 not directly, indirectly or contingently obligate said State
4 or County to levy or to pledge any form of taxation whatever
5 for the payment of such principal, redemption premium (if any)
6 and interest. This Bond is payable solely from revenues
7 derived from payments by David C. Galbreath trading as Delta

10 and the Owner ("Loan Agreement"), any and all monies realized
11 from the sale of collateral pledged as security for such loan
12 and all monies received under any guaranty agreements. Neither
13 this Bond nor the interest payable hereon shall ever constitute
14 an indebtedness or a charge against the general credit or taxing
15 powers of the County within the meaning of any constitutional
16 provision or statutory or charter limitation and neither shall
17 ever constitute or give rise to any pecuniary liability of
18 the County. No recourse shall be had for the payment of the
19 principal of, or the redemption premium (if any) and the
20 interest on, this Bond against any officer or member of the
21 Issuer.

3 the terms provided in such Section 6 of the Ordinance. In the
4 event of partial prepayment, the holder hereof shall surrender
5 this Bond to the Bond Registrar (hereinafter referred to), for
6 notation hereon that this Bond, to the extent of the amount
7 prepaid, has been partially prepaid. In the event of a partial

10 in the inverse order of the monthly installment payment dates.
11 Reference is hereby made to Section 6 of the Ordinance for
12 the provisions relating to the prepayment of this Bond, and,
13 by the acceptance of this Bond, the holder hereof assents to

26 of, or on account of, the principal of and interest hereon and
27 for all purposes, and all such payments so made to such
28 registered owner or upon his order shall be valid and effectual
29 to satisfy and discharge the liability upon this Bond to the
30 extent of the sum or sums so paid, and neither the County nor
31 the Bank, as agent for the holder of this Bond, nor the Bond
32 Registrar shall be affected by any notice to the contrary.

1 Within sixty (60) days after receipt of a written request
2 from the holder hereof (or within such longer period as may be
3 reasonably required for the authorization, issuance and prepara-
4 tion of bonds) the County will take action necessary to cause
5 serial bonds to be duly authorized and issued, to the extent
6 permitted by applicable laws, in order that this Bond may be
7 exchanged for a series of serial bonds. Any serial bonds so
8 authorized and issued shall be substantially in the same form
9 as this Bond, with only such changes in amounts, dates and
10 other details as may be necessary. All such serial bonds shall
11 (a) bear interest at the same rate, and (b) be ratably and
12 equally secured by, and entitled to the benefits of, the
13 Ordinance and the security for the repayment of the Bond provided
14 for therein. Any expenses incurred by the County in authorizing
15 and issuing any such serial bonds shall be paid by the Owner.

RECITALS

Sections 266(A) to 266(I), inclusive, of Article 41 of the Annotated Code of Maryland (1971 Replacement Volume 1980 Cumulative Supplement) as amended, (the "Act") empowers all the Counties and Municipalities of the State of Maryland to issue revenue bonds and to loan the proceeds of sale of such revenue bonds to an industrial concern to finance the acquisition (as defined in the Act) by such industrial concern of industrial buildings (as defined in the Act). The Act declares it to be the legislative purpose to relieve conditions of unemployment in the State, to encourage the increase of industry and a balanced economy in the State, to assist in the retention of existing industry in the State through the control, reduction or abatement of pollution of the environment (where the proceeds of bonds are used for that purpose), to promote economic development, to promote natural resources and, in this manner, to promote the health, welfare and safety of the residents of each of the Counties and municipalities of the State of Maryland.

Harford County, Maryland, (the "County") has determined to issue and sell its Harford County, Maryland, Industrial Development Revenue Bonds (The May Department Stores Company Project), in an amount not exceeding \$4,500,000 (the "Bonds") and to loan ~~the~~ the proceeds of the Bonds to the Owner, an industrial concern as mentioned in the Act, on the terms and conditions set forth in agreements to be entered into by and between the County, the Owner and others (the "Agreements"), as provided by this Ordinance and in resolutions to be passed from time to time by the County Council of Harford County, Maryland, in order to finance the acquisition (within the meaning of the Act) by the Owner of a certain industrial building (within the meaning of the Act) in Harford County, Maryland (the "Industrial Building"), and thereby relieve

1 conditions of unemployment in the State of Maryland and in
2 Harford County, Maryland, and thus encourage economic develop-
3 ment and protect the health, welfare and safety of the citizens
4 of the State of Maryland and Harford County, Maryland.

5 The Bonds will be sold at private ~~(or-public)~~ sale
6 upon terms to be approved by resolution of the Harford County
7 Council.

8 The Owner will execute and deliver or cause to be
9 executed and delivered a Loan Agreement ("Loan Agreement"),
10 ~~a-deed-of-trust-{"Deed-of-Trust"}~~ AN INDUCEMENT LETTER and such
11 other Agreements as may be necessary or appropriate to accomplish
12 the foregoing and/or to provide security for the purchasers of
13 the Bonds and to indicate that the issuance and sale of the
14 Bonds and the execution and delivery of the Agreements are to be
15 without any liability of any kind on the part of the County.

16 The County received a letter of intent from the
17 Owner dated as of January 1, 1981 (the "Letter of Intent"),
18 requesting the County to participate in the financing of the
19 acquisition of the Industrial Building in an amount not to
20 exceed \$4,500,000. The Letter of Intent was approved by the
21 County Council of Harford County, Maryland, (the "County
22 Council") by Resolution Number 1-81, adopted on January 6, 1981
23 and accepted by the County Executive and the President of the
24 County Council on January 6, 1981 subject to the adoption of
25 this Ordinance.

1 the Director and/or inspector may post a site with an order
2 directing the [permittee] PERMIT HOLDER OR AGREEMENT HOLDER to
3 cease all land disturbing activity being performed under permits
4 OR AGREEMENTS issued under this ordinance when such
5 activity does not conform to the specifications, including
6 modifications thereof, of an approved plan or other conditions
7 of the permit issued hereunder, provided that:

8 (1) Written notice to comply will be furnished within
9 seven (7) days to the [permittee] PERMIT HOLDER OR AGREEMENT HOLDER
10 by regular mail and addressed to the address of the [permittee]
11 PERMIT HOLDER OR AGREEMENT HOLDER as stated on the application
12 for a permit OR AGREEMENT.

13 (2) The notice includes the nature of the corrective
14 measures required and the time within which corrections shall
15 be made.

16 (c) Nothing contained in this Section shall be interpreted
17 as restricting the Department from proceeding directly with a
18 cease and desist order or with alternative enforcement procedure
19 as set forth in Section [10.20] 10.23..
20 Section [10.10] 10.11. Performance Bond.

21 (a) The Director shall, before issuing a permit, require a
22 cash or corporate bond or other approved security in the form
23 and manner prescribed by the County Attorney, conditioned upon
24 the faithful performance of the conditions in the permit and
25 soil erosion and sediment control measures specified in the
26 permit within the time specified by the Director. Collateral re-
27 quired by this Section shall be Three Hundred Dollars (\$300) plus
28 Three Cents (3¢) per square foot of the area included in the land
29 disturbing activity, plus such amounts as deemed necessary
30 by the Director to secure the cost of improvements required in
31 approved plans. A corporate bond shall be maintained and renewed
32 annually and shall be executed by a surety or guarantee company

1 qualified to transact business in the State of Maryland. A cash
2 bond shall be deposited with the Treasurer of Harford County, who
3 shall give his receipt therefor, reciting that the cash has been
4 deposited in compliance with and subject to the provisions of this
5 Section. The bond OR APPROVED SECURITY shall obligate the principal,
6 his executors, administrators, successors and assigns, jointly and
7 severally with the surety and shall inure to the benefit of
8 the County, its officers, employees and to any person aggrieved
9 by the principal's failure to comply with the conditions thereof.
10 The principal and the surety shall, under the bond OR APPROVED
11 SECURITY, continue to be firmly bound under a continuing obliga-
12 tion for the payment of all necessary costs and expenses or
13 liabilities which may be incurred or expended by the Department
14 to meet the minimum requirements of this Article.

15 (b) Whenever the Department shall find that a default has
16 occurred in the performance of any term or condition of the permit
17 or bond OR OTHER APPROVED SECURITY, written notice thereof shall
18 be given to the principal and to the surety of the [bond] SECURITY.
19 Such notice shall state the work to be done, the estimated cost
20 thereof and the period of time deemed by the Department to be
21 reasonably necessary for the completion of such work.

22 (c) If a cash bond has been posted, notice of default as
23 provided by the preceding paragraphs shall be given to the
24 principal, and if compliance is not had within the time specified,
25 the Department shall proceed without delay and without further
26 notice or proceedings whatsoever to use the cash deposited,
27 or any portion of such deposit, to cause the required work to be
28 done by contract or otherwise in the discretion of the Director.

29 (d) In the event of any default in the performance of any
30 term or condition of the permit [or], bond, OR OTHER APPROVED
31 SECURITY, the County, the surety or any person employed or engaged
32 on his behalf shall have the right to go upon the site to complete

1 the required work necessary to control erosion and sedimentation
2 or make it safe. In the event the Department undertakes the
3 required work or makes the site safe with the funds from the for-
4 feited cash or corporate [bond] SECURITY, such funds shall be used
5 to pay the cost of contracting, including engineering and adminis-
6 tration, for necessary restoration of the site to control erosion
7 and sedimentation within the requirements of the plan, permit,
8 bond, SECURITY or this Article. If the cost of the work necessary
9 to control erosion and sedimentation or to make it safe exceeds
10 the amount of [the cash or corporate] SECURITY POSTED [bond], the
11 [permittee] PERMIT HOLDER shall continue to be firmly bound
12 under a continuing obligation for payment of all excess costs
13 and expenses incurred by the County. The cost and expenses shall
14 be a lien upon all property and all rights to property, real
15 or personal, of any person liable to pay the same from and after
16 the time said cost is due and payable. The cost shall be listed
17 on the tax bill and shall be collected in the manner or ordinary
18 taxes.

19 (e) No person shall interfere with or obstruct the ingress
20 or egress to or from any such site or premises by an authorized
21 representative or agent of any surety or of the Department engaged
22 in completing the work required to be performed under the permit
23 or in complying with the terms or conditions thereof.

24 (f) [A corporate bond] THE SECURITY POSTED shall remain in
25 full force and effect until a completion certificate issued pursu-
26 ant to Section [10-15] 10-16. A cash bond shall be returned to the
27 depositor or to his successors or assigns upon issuance of a
28 completion certificate for the work in accordance with Section
29 [10-15] 10-16, except any portion thereof that may have been
30 used. Failure to maintain the above required surety shall auto-
31 matically operate as a temporary revocation of any and all permits
32 issued by Harford County to the [permittee] PERMIT HOLDER, his

1 successors and assigns in interest.

2 Section [10.11] 10.12. Liability Insurance.

3 If, in the opinion of the Director, the nature of the
4 work is such that it may create a hazard to human life or
5 endanger adjoining property or property at a higher or lower
6 elevation, or any street or street improvement, or any other
7 public property, then the Director may, before issuing the
8 permit, require that the applicant for a permit file a certi-
9 ficate of insurance showing that he is insured against claims
10 for damages for personal injury and property damage in an
11 amount not less than twenty-five thousand dollars (\$25,000)
12 including damage to the County by deposit or washing of material
13 onto County streets or other public improvements, which may
14 arise from or out of the performance of the work, whether such
15 performance be by himself, his subcontractor or any person
16 directly or indirectly employed by him, and the amount of such
17 insurance shall be prescribed by the Director in accordance
18 with the nature of the risks involved. Such insurance shall
19 be written by a company licensed to do business in the state
20 and approved by the County. Neither issuance of a permit nor
21 compliance with the provisions hereto or any condition imposed
22 by the Department shall relieve any person from any responsibility
23 for damage to persons or property otherwise imposed by law, nor
24 impose any liability upon the County for damage to persons or
25 property. Failure to maintain the required liability insurance
26 shall automatically operate as a temporary revocation of any and
27 all permits issued by Harford County to the [permittee] PERMIT
28 HOLDER, his predecessors or successors and assigns in interest.

29 Section [10.12] 10.13. Maintenance Bond.

30 The Director may, where he deems it necessary to protect
31 the property or health, safety or general welfare of other persons
32 or the public in general, require the [permittee] PERMIT HOLDER

BOOK 6 PAGE 568

1 to post a maintenance bond OR OTHER APPROVED SECURITY in the form
2 and manner prescribed by the County Attorney, for a period of
3 twelve (12) months following the completion of the land dis-
4 turbing activities for which the permit was issued. The [bond]
5 SECURITY shall cover latent defects in [or] labor and/OR
6 material required to maintain all grade surfaces, walls,
7 drains, dams, structures, slopes, vegetation and sediment
8 control measures and other protective devices and damages
9 resulting from construction equipment and vehicles doing work
10 in that portion of the area covered by the terms of the permit.
11 The amount of the [bond] SECURITY shall be equal to or greater
12 than ten percent (10%) of the construction cost as determined by
13 the Director.

14 Section [10.13] 10.14. Inspection.

15 (a) ON SITES WHERE A PUBLIC WORKS INSPECTOR HAS PRIMARY
16 INSPECTION RESPONSIBILITY FOR WORK BEING DONE, HE SHALL ALSO BE
17 RESPONSIBLE FOR MONITORING OF SEDIMENT CONTROL. HOWEVER, THE
18 SEDIMENT CONTROL INSPECTOR FROM THE DEPARTMENT OF INSPECTIONS,
19 LICENSES, AND PERMITS SHALL HAVE FULL SEDIMENT CONTROL ENFORCE-
20 MENT RESPONSIBILITY ON THESE SITES, INCLUSIVE OF SUCH ITEMS
21 AS MINOR PLAN CHANGES, VIOLATION NOTICES, STOP WORK ORDERS AND
22 OTHER ENFORCEMENT PROCEDURES.

23 [(a)] (b) No land disturbing activity shall proceed until
24 approved by the [department and the soil conservation district]
25 DISTRICT AND/OR THE DEPARTMENT. All work shall be performed
26 in accordance with a schedule shown on the approved plan or
27 a revised schedule approved by the Department and [Soil
28 Conservation] THE District.

29 [(b)] (c) After commencing initial land disturbing activity,
30 the department shall inspect at the following stages:

31 (1) Upon completion of stripping, clearing and the
32 stockpiling of soil, but prior to related off-site land disturbing

BODY 6 PAGE 669

1 activities.

2 (2) During rough grading, including hauling of
3 imported or wasted materials.

4 (3) Upon completion of rough grading, but prior to
5 placing topsoil, permanent drainage systems, ground covers or
6 other permanent site development improvements identified on the
7 approved plan.

8 (4) Upon completion of final grading, including
9 established ground covers and planting, and installation of all
10 vegetative measures and all other work in accordance with the
11 approved plan.

12 [(c)] (d) THE APPLICANT, AFTER RECEIVING NOTIFICATION OF PENDING
13 PERMIT APPROVAL, BASED UPON PRE-CONSTRUCTION CONFERENCE FINDINGS,
14 [the permittee] shall notify the Department NOT LESS THAN forty-
15 eight hours (48) before [commencing] THE INTENDED COMMENCEMENT OF
16 any disturbing activities. Upon receiving such notice, the
17 Department shall [inspect the work and notify the permittee of
18 its approval or in what respect there has been a failure to
19 comply with the requirements of this Article] SCHEDULE AN ON-
20 SITE PRE-CONSTRUCTION CONFERENCE. [Any portion of the work
21 which does not comply shall be promptly corrected by the
22 permittee. The Department may make additional inspections as
23 it deems appropriate and shall have the right to waive inspections,
24 except for the final inspection as provided in Section 10-15.]
25 UPON COMPLETION OF THE ON-SITE PRECONSTRUCTION CONFERENCE,
26 IF NO PROBLEMS ARE REVEALED, THEN THE GRADING PERMIT WILL BE
27 ISSUED AND WORK WITHIN THE SCOPE OF THE PERMIT MAY START.

28 (e) THE DEPARTMENT MAY REQUIRE ADDITIONAL INSPECTIONS AS
29 IT DEEMS APPROPRIATE, AND SHALL HAVE THE RIGHT TO WAIVE INSPEC-
30 TIONS, EXCEPT FOR THE FINAL INSPECTIONS AS PROVIDED IN SECTION
31 10-18.

32 [(d)] (f) The Department shall maintain a permanent file of its

1 inspections.

2 [(e)] (g) When sediment control plans for land disturbing
3 activities include the use of water retention structures such
4 as ponds, catchbasins and related facilities and when such plans
5 show by affidavit that they have been prepared by a licensed
6 professional engineer or land surveyor and that said licensed
7 professional engineer or land surveyor will supervise the
8 construction of such facilities in accordance with the provi-
9 sions of such plans and regulations adopted in accordance with
10 this Article, the Director may waive the inspections required
11 by this Section. Before the issuance of a completion certificate
12 in accordance with Section [10-15] 10-18, said licensed professional
13 engineer or land surveyor shall certify to the Department that
14 the facilities included on the approved plan have been constructed
15 in accordance with said plan or modifications made thereto and
16 approved by the Department and District.

17 Section [10.14] 10.15. Maintenance of Structures, Measures and
18 Devices.

19 The [permittee] PERMIT HOLDERS OR AGREEMENT HOLDERS or the
20 owner of any property on which work has been done pursuant to
21 a permit OR AGREEMENT granted hereunder, or any other
22 person or agent in control of such property, shall maintain in
23 good condition and promptly repair or restore all grade surfaces,
24 walls, drains, dams and structures, plantings, vegetation, erosion
25 and sediment control measures and other protective devices. Such
26 repair or restoration and maintenance shall be in accordance
27 with the approved plans, specifications and permits as required
28 by this Article until permanent measures are accepted by the
29 Department.

30 Section 10.16. GRADING REQUIREMENTS.

31 ALL PERSONS DESIRING TO GRADE OR EXCAVATE IN HARFORD COUNTY
32 SHALL BE REQUIRED TO FOLLOW THE PROCEDURES AND REQUIREMENTS OF

1 TITLE 8. SUBTITLE 11, NATURAL RESOURCES ARTICLE, ANNOTATED CODE
2 OF MARYLAND, 1974 VOLUME, AS AMENDED, THE STANDARDS AND SPECIFICA-
3 TIONS FOR SOIL EROSION AND SEDIMENT CONTROL IN DEVELOPING AREAS
4 (PREPARED BY THE U. S. DEPARTMENT OF AGRICULTURE, SOIL CONSERVA-
5 TION SERVICE DATED JULY, 1975) AS AMENDED FROM TIME TO TIME, AND
6 THE MARYLAND STATE SEDIMENT CONTROL REGULATIONS, COMAR .09.05.01,
7 AS AMENDED FROM TIME TO TIME.

8 Section 10.17. REQUIREMENTS FOR GRADING AND EXCAVATING.

9 (a) NO PERSON SHALL CHANGE THE NATURAL GROUND LEVEL
10 OF ANY LOT OR PARCEL IN ANY WAY WHICH RESULTS OR MAY RESULT
11 IN ANY CHANGING OF THE DIRECTION, VOLUME, DISTRIBUTION OR VELOCITY
12 OF THE FLOW OF SURFACE WATER ON OR OVER ANY ADJOINING PRIVATE
13 OR PUBLIC PROPERTY WITHOUT OBTAINING THE APPROVAL OF THE DEPART-
14 MENT OF PUBLIC WORKS AND THE DEPARTMENT OF INSPECTIONS, LICENSES
15 AND PERMITS AND HAVING BEEN ISSUED A VALID PERMIT TO PERFORM
16 THE PROPOSED GRADING. WHENEVER GROUND AND/OR SURFACE WATER
17 EXISTS ON A LOT OR PARCEL, THE METHOD OF DISPOSAL SHALL BE
18 APPROVED BY THE DEPARTMENT OF PUBLIC WORKS AND THE SEDIMENT
19 CONTROL INSPECTOR.

20 (b) CUT SLOPES - IF, WHEN GRADING A LOT OR PARCEL, THE NEW
21 GRADE IS LOWERED BELOW THE GROUND LEVEL OF THE ADJOINING
22 PROPERTY, THE NEW GRADE SHALL SLOPE AT AN ANGLE LESS THAN
23 ONE FOOT VERTICAL TO TWO FEET HORIZONTAL, TO MEET THE GRADE OF
24 THE ADJOINING PROPERTY AT THE LINE. IF THE SLOPE REQUIREMENTS
25 STATED HEREIN CANNOT BE MET, A RETAINING WALL SHALL BE BUILT
26 ENTIRELY ON THE GROUND OF THE OWNER CAUSING THE GRADING,
27 FOR WHICH A BUILDING PERMIT WILL BE REQUIRED.

28 (c) FILL SLOPES - IF, WHEN GRADING A LOT OR PARCEL, THE
29 NEW GRADE IS RAISED ABOVE THE SURFACE OF THE GROUND LEVEL OF THE
30 ADJOINING PROPERTY, THE FILL SHALL BE SLOPED DOWN TO MEET THE
31 EXISTING GRADE ON AN ANGLE LESS THAN THE ANGLE OF REPOSE OF THE
32 MATERIAL BUT NOT STEEPER THAN ONE FOOT VERTICAL TO TWO FEET

1 HORIZONTAL AND AT NO POINT SHALL THE TOE OF THE SLOPE, PLUS
2 AN ADEQUATE STORM DRAIN SYSTEM OR SWALE EXTENDING TO AN
3 APPROVED TERMINATION, EXTEND BEYOND THE ADJOINING PROPERTY
4 LINE. IF THE SLOPE REQUIREMENT HEREIN CANNOT BE MET, A RETAINING
5 WALL SHALL BE BUILT ENTIRELY UPON THE LAND OF THE OWNER CAUSING
6 THE FILL TO BE MADE FOR WHICH A BUILDING PERMIT WILL BE REQUIRED.

7 (d) ALL STUMPS, LOGS AND OTHER MATERIALS SUBJECT TO DECAY
8 SHALL BE REMOVED BEFORE ANY FILL MATERIALS ARE PLACED AND NO SUCH
9 FILL MATERIAL SHALL CONTAIN MORE THAN TEN PERCENT (10%) ORGANIC
10 MATTER. HOWEVER, STUMPS MAY REMAIN IN PLACE IF CUT OFF AT GROUND
11 LEVEL WHERE FILLING EXCEEDS THREE FEET OR MORE AND IS A MINIMUM
12 OF TWENTY FEET FROM ANY PROPOSED FOOTING. ON SITES WHERE
13 BUILDINGS OR OTHER STRUCTURES ARE TO BE ERECTED, FILL WITH
14 GREATER THAN TEN PERCENT (10%) ORGANIC MATTER WILL BE PERMITTED
15 IN ALL AREAS A DISTANCE OF FORTY FEET (40) FROM ANY PROPOSED
16 FOOTINGS.

17 (e) IN THE FINAL GRADING AROUND ANY BUILDING, A POSITIVE
18 GRADE IS REQUIRED AWAY FROM THE BUILDING AND OUTFALLING INTO AN
19 EXISTING STORM DRAIN SYSTEM, DRAINAGE SWALE OR OTHER APPROVED
20 SUITABLE AREA. ALL GRADING SHALL BE ACCOMPLISHED IN SUCH A
21 MANNER AS TO PREVENT THE PONDING OF SURFACE DRAINAGE IN LOW
22 AREAS OR THE STANDING OF WATER IN STABILIZED AREAS DUE TO THE
23 INSTALLATION OF GRADIENTS INADEQUATE TO CARRY SURFACE DRAINAGE.

24 (f) UPON THE COMPLETION OF THE FINAL GRADING ALL DENUDED
25 (STRIPPED) AREAS WITH THE EXCEPTION OF ANY CRITICAL AREAS WHICH
26 MAY REQUIRE SPECIAL TREATMENT ARE TO BE STABILIZED WITH SOD OR
27 SEED AND MULCH. STABILIZATION OF PROPERTY IMPROVED WITH RESI-
28 DENTIAL OR COMMERCIAL BUILDINGS SHALL BE COMPLETED AND APPROVED
29 PRIOR TO THE ISSUANCE OF AN OCCUPANCY PERMIT FOR THE STRUCTURE.
30 THE ONLY EXCEPTION TO THIS REQUIREMENT SHALL BE A SITE COMPLETED
31 DURING THE WINTER MONTHS OF THE YEAR WHEN STABILIZATION IS
32 IMPOSSIBLE. IN SUCH CASES THE FINAL STABILIZATION SHALL BE

1 COMPLETED PRIOR TO THE FOLLOWING APRIL 30TH.

2 (g) THE PERMIT HOLDER OR AGREEMENT HOLDER SHALL STABILIZE
3 TEMPORARILY WITH SEED AND/OR STRAW MULCH ALL DISTURBED AREAS
4 WITHIN THIRTY (30) CALENDAR DAYS AFTER STRIPPING AND GRADING
5 ACTIVITIES HAVE CEASED IN THAT DISTURBED AREA. AREAS USED FOR
6 STOCKPILING, CONSTRUCTION ACCESS ROADS, DRIVEWAYS, PARKING LOTS,
7 AND BUILDING CONSTRUCTION AREAS ADJACENT TO AND WITHIN FIFTY
8 FEET (50) OF AN INCOMPLETE IMPROVEMENT, SHALL BE EXEMPTED FROM
9 THE REQUIREMENT, PROVIDED THESE AREAS ARE DESIGNATED ON THE APPROVED
10 PLAN, AND PROVIDE EROSION AND SEDIMENT CONTROL MEASURES ARE
11 INSTALLED TO PREVENT OFF-SITE SEDIMENTATION. DURING THE MONTHS OF
12 NOVEMBER THROUGH FEBRUARY, WHEN SEEDING AND SODDING ARE FOUND TO
13 BE IMPRACTICAL, AN APPROVED MULCH, SUCH AS STRAW SHALL BE APPLIED
14 AND ANCHORED. IN SUCH CASES, SEEDING OR OTHER STABILIZATION
15 SHALL BE COMPLETED PRIOR TO THE FOLLOWING APRIL 30TH, IF FURTHER
16 STABILIZATION IS NECESSARY. TEMPORARY STABILIZATION IS NOT
17 REQUIRED IF PERMANENT STABILIZATION CAN BE APPLIED WITHIN
18 DAYS (60) AFTER STRIPPING AND GRADING ACTIVITIES HAVE CEASED, PRO-
19 VIDED SUCH AREAS ARE DESIGNATED ON THE APPROVED PLAN AND EROSION
20 AND SEDIMENT CONTROL MEASURES ARE INSTALLED TO PREVENT OFF-SITE
21 SEDIMENTATION. THE PERMIT HOLDER OR AGREEMENT HOLDER SHALL
22 STABILIZE PERMANENTLY ALL DISTURBED AREAS WITHIN FOURTEEN
23 CALENDAR DAYS FOLLOWING REMOVAL OF THE EROSION OF SEDIMENT
24 CONTROL MEASURES OR ONCE THE PROPERTY IS AT FINISHING GRADE.
25 WHEN PROPERTY IS BROUGHT TO FINISHED GRADE DURING THE MONTHS
26 OF NOVEMBER THROUGH FEBRUARY, AND SEEDING AND SODDING IS FOUND
27 TO BE IMPRACTICAL, AN APPROVED MULCH SUCH AS STRAW SHALL BE
28 APPLIED AND ANCHORED TO CRITICAL AREAS, AS APPROPRIATE. THE
29 FINAL PERMANENT STABILIZATION OF SUCH PROPERTY SHALL BE COMPLETED
30 PRIOR TO THE FOLLOWING APRIL 30TH.

31 (h) WHENEVER ANY EXCAVATION IS MADE AT OR CLOSE TO AN
32 EXISTING PUBLIC RIGHT-OF-WAY, NO PART OF ANY SUCH EXCAVATION

1 SHALL EXTEND INTO SAID STREET, ALLEY OR OTHER PUBLIC WAY
2 WITHOUT THE APPROVAL OF THE DEPARTMENT OF PUBLIC WORKS. THE
3 SIDES AND/OR BANKS OF ANY SUCH EXCAVATION SHALL BE SUPPORTED BY
4 ADEQUATE AND APPROVED MEANS, SO THAT THERE WILL BE NO MOVING,
5 SETTLING OR CAVING OF THE SAME AND SO THAT THERE WILL BE NO
6 DAMAGE TO ANY PAVING OR ANY SURFACE OR SUBSURFACE STRUCTURES.

7 Section [10.15] 10.18. Completion.

8 Immediately upon completion of the project, the [permittee]
9 PERMIT HOLDER shall notify the Department. The Department shall
10 make a final inspection and shall prepare a final inspection
11 report, a copy of which shall be submitted to the District.

12 If, upon final inspection of any work, it is found by the
13 Department that the work subject to inspection has been satis-
14 factorily completed in accordance with the requirements of this
15 Article, the permit, conditions, plans, drawings and specifications
16 as the case may be, and the required reports have been submitted,
17 a completion certificate covering such work shall be issued to
18 the owner by the Department. The Performance Bond will be returned
19 at this time.

20 Section [10.16] 10.19. Protection to Adjacent Property.

21 During Excavation.

22 No person shall excavate on land sufficiently close to the
23 property line of another to endanger any adjoining property,
24 public street, sidewalk, alley or other public or private property
25 without supporting and protecting such public street, sidewalk,
26 alley or other property from settling, cracking or other
27 damage which might result from excavation. If, in the opin-
28 ion of the Director, the nature of the excavation is such
29 as to create a hazard to life or property unless adequately
30 safeguarded, the applicant shall construct such walls,
31 fences, guard rails or other structures to safeguard the
32 public street, sidewalk, alley or other property and per-

1 sons using such, as the Director may require.

2 Section [10.17] 10.20. Deposits of Soils, Material or Liquid
3 Prohibited.

4 (a) No person shall engage in any land disturbing activity
5 or by any action cause or permit any soil, earth, sand, gravel,
6 rock, stone or other material or liquid to be deposited upon or
7 to roll, flow or wash upon or over the premises of another in
8 a manner to cause damage to such premises without the express
9 consent of the owner of such premises affected; no person shall
10 engage in any land disturbing activity or by any action cause
11 or permit any soil, earth, sand, gravel, rock, stone or other
12 material or liquid to be deposited or to roll, flow or wash
13 upon or over any public street, street improvement, road, sewer
14 storm drain, watercourse or right-of-way, or any public or
15 private property, in a manner to damage or to interfere with the
16 use of such property.

17 (b) No person shall, when hauling soil, earth, sand, gravel,
18 rock, stone or other material over any public street, road, alley,
19 or public property, allow such materials to blow or spill over
20 and upon such street, road, alley or public property or adjacent
21 private property.

22 (c) If any soil, earth, sand, gravel, rock, stone or
23 other material or liquid is caused to be deposited upon or to
24 roll, flow or wash upon any public or private property in viola-
25 tion of Subsections (a) and (b) above, the person responsible
26 shall be notified and shall cause it to be removed from such
27 property within thirty-six (36) hours. In the event of an
28 immediate danger to the public health or safety, notice shall
29 be given by the most expeditious means, and the material or
30 liquid shall be removed immediately. In the event it is not
31 so removed, the Department shall cause such removal, and the
32 cost of such removal by the Department shall be paid to the

1 County by the person who failed to so remove the material and
2 shall be a debt due to the County. The cost of such removal
3 shall be a lien upon all property and all rights to property,
4 real or personal, of any person liable to pay the same from
5 and after the time such cost is due and payable. The cost
6 of such removal shall be listed on the tax bill and shall be
7 collected in the manner of such taxes; provided, however, that
8 nothing contained in this Section shall be interpreted as
9 prohibiting the Department from proceeding directly with alter-
10 native enforcement procedures set forth in Section [10.20] 10.23
11 or declaring a forfeiture of the posted security to the extent
12 of the cost insured by the County. Failure of the surety
13 or [permittee] PERMIT HOLDER from honoring the demands of the
14 County for the costs incurred shall automatically operate as a
15 termination of all permits issued by Harford County to the
16 [permittee] PERMIT HOLDER, his predecessors, successors and
17 assigns interest.

18 Section [10.18] 10.21. Rules and Regulations.

19 (a) The Director may establish rules and regulations for
20 the admintration of the provisions of this Article in accordance
21 with [the established procedures of the Executive Branch,]
22 SECTION 80 OF THE HARFORD COUNTY CHARTER, with opportunity for
23 full participation from the [Harford Soil Conservation] District
24 and shall obtain the recommendations from the District prior
25 to a public hearing being held. Such rules and regulations
26 and amendments thereto shall not conflict with nor waive any
27 provisions of this Article nor be less restrictive than its
28 provisions.

29 (b) Regulations promulgated pursuant to this Article shall
30 include, but not be limited to, the following provisions:

31 (1) Maximum duration of exposure.

6 [10-12] 10-13 and the criminal provisions of Section [10-20]
7 10-23 shall not apply to municipal corporations, County or
8 State agencies within the State or any public service company
9 as defined in Article 78, Section 2 (O) of the Annotated Code
10 Maryland [1976 Supplement] 1980 AS AMENDED, or any combination
11 thereof.

12 Section [10.20] 10.23. Penalties.

13 (a) Any person convicted of violating the provisions of
14 this Article shall be guilty of a misdemeanor, and upon conviction
15 thereof, shall be subject to a fine of not more than One Thousand
16 Dollars (\$1,000) for each and every violation. Each day that
17 the violation continues shall be a separate offense. In addition
18 thereto, the County may institute injunctive, mandamus or any
19 other appropriate action or proceedings at law or equity for the
20 enforcement of this Article or to correct violations of this
21 Article, and any court of competent jurisdiction shall have the
22 right to issue restraining orders, temporary or permanent injunc-
23 tions or mandamus or other appropriate forms of remedy or relief.

24 (b) In addition to the above enumerated penalties, the
25 County may, if it finds a violation of this Article, withhold
26 any building permits of the violator and/or issue stop work orders
27 on work being done pursuant to a County building permit.

RECITAL

Sections 266(A) to 266(I), inclusive, of Article 41 of the Annotated Code of Maryland (1978 Replacement Volume, 1980 Cumulative Supplement) as amended, (the "Act") empowers all the Counties and Municipalities of the State of Maryland to issue revenue bonds and to loan the proceeds of sale of such revenue bonds to an industrial concern to finance the acquisition (as defined in the Act) by such industrial concern of industrial buildings (as defined in the Act). The Act declares it to be the legislative purpose to relieve conditions of unemployment in the State, to encourage the increase of industry and a balanced economy in the State, to assist in the retention of existing industry in the State through the control, reduction or abatement of pollution of the environment (where the proceeds of bonds are used for that purpose), to promote economic development, to promote natural resources and, in this manner, to promote the health, welfare and safety of the residents of each of the Counties and municipalities of the State of Maryland.

Harford County, Maryland, (the "County") has determined to issue and sell its Harford County, Maryland, Industrial Development Revenue Bonds (Courtland Hardware, Inc. Project), in an amount not exceeding Eight Hundred Twenty Five Thousand Dollars (\$825,000) (the "Bonds") and to loan ("Loan") the proceeds of the Bonds to the Company, an industrial concern as mentioned in the Act, on the terms and conditions set forth in agreements to be entered into by and between the County, the Company and others (the "Agreements"), as provided by this Ordinance and in resolutions to be passed from time to time by the County Council of Harford County, Maryland, in order to finance the acquisition (within the meaning of the Act) by the Company of a certain industrial building (within the meaning of the Act) in Harford County, Maryland (the "Industrial

1 Building"), and thereby relieve conditions of unemployment in
2 the State of Maryland and in Harford County, Maryland, and thus
3 encourage economic development and protect the health, welfare
4 and safety of the citizens of the State of Maryland and Harford
5 County, Maryland.

6 The Bonds will be sold at private (negotiated) sale to
7 Commercial and Savings Bank (the "Bank") or any other purchaser
8 approved by resolution of the Harford County Council.

9 The Company will execute and deliver or cause to be executed
10 and delivered (a) a deed of trust ("Deed of Trust") conveying
11 the Industrial Building as security for the Loan (b) such other
12 Agreements as may be necessary or appropriate to accomplish the
13 foregoing and/or to provide security for the purchasers of
14 the Bonds and to indicate that the issuance and sale of the
15 Bonds and the execution and delivery of the Agreements are to
16 be without any liability of any kind on the part of the County.

17 The County received a letter of intent from the Company
18 dated June 26, 1981 (the "Letter of Intent"), requesting
19 the County to participate in the financing of the acquisition
20 of the Industrial Building in an amount not to exceed Eight
21 Hundred Twenty Five Thousand Dollars (\$825,000). The Letter of
22 Intent was approved by the County Council of Harford County,
23 Maryland, (the "County Council") by Resolution Number 24 -81,
24 adopted on July 7, 1981 and accepted by the County Executive
25 and the President of the County Council on July 7, 1981
26 subject to the adoption of this Ordinance.

27 NOW THEREFORE, in accordance with the terms and provisions
28 of the Act and the Charter of Harford County, Maryland:

29 Section 1. BE IT ENACTED BY THE COUNTY COUNCIL OF
30 HARFORD COUNTY, MARYLAND, that acting pursuant to the Act, it
31 is hereby found and determined as follows:

32 1. The issuance and sale of the Bonds by the County in

BOOK 6 PAGE 722

1 order to lend the proceeds thereof to the Company pursuant to
2 the Act for the sole and exclusive purpose of financing the
3 acquisition of the Industrial Building (within the meaning of the
4 Act) will facilitate and expedite the acquisition of the
5 Industrial Building by the Company. The Industrial Building
6 will consist of approximately 40,000 square feet of land bounded
7 by Alice Anne Street, Bond Street and Pennsylvania Avenue in Bel
8 Air, Maryland, and construction of a brick and metal building
9 to be used in the business of the Company.

10 2. The acquisition of the Industrial Building by the
11 Company and the financing of the Industrial Building as provided
12 in this Ordinance will promote the declared legislative purposes
13 of the Act by (a) sustaining jobs and employment, thus relieving
14 conditions of unemployment in the State of Maryland and in
15 Harford County, Maryland; (b) encouraging the increase of
16 industry and a balanced economy in the State of Maryland and in
17 Harford County, Maryland; (c) assisting in the retention of
18 existing industry in the State of Maryland and in Harford
19 County, Maryland; (d) and promoting economic development; and
20 (e) promoting the health, welfare and safety of the residents of
21 Harford County, Maryland, and in the State of Maryland.

22 3. It is in the best interests of the citizens of the
23 County to finance the acquisition of the Industrial Building
24 by a loan to the Company.

25 4. Neither the Bonds nor the interest thereon, will
26 constitute (a) a general obligation of the County or (b) a
27 charge against or pledge of the general credit or taxing
28 powers of the County within the meaning of the Constitution
29 of Maryland or any constitutional, statutory or charter
30 provision or limitation, and neither shall ever constitute or
31 give rise to any pecuniary liability on the part of the County.
32 The principal of and interest on the Bonds shall be payable

1 from and secured by (a) an assignment of (i) the revenue
2 realized and the collateral pledged, under the Loan Agreement,
3 and (ii) the Company's right, title and interest in and to,
4 and remedies under the Deed of Trust, and (b) such other
5 Agreements as may be necessary or appropriate. No monies will
6 be comingled with the County's funds or will be subject to the
7 absolute control of the County, but only to such limited super-
8 vision and checks as are deemed necessary or desirable by the
9 County to insure that the proceeds of the Bonds are used to
10 accomplish the public purposes of the Act and this Ordinance.
11 The transactions authorized hereby do not constitute the
12 acquisition of property for public use or the purchase of
13 equipment for public use. The public purposes expressed in the
14 Act are to be achieved by facilitating the acquisition of the
15 Industrial Building by the Company.

16 5. The security for the Bonds shall be solely and
17 exclusively (a) the absolute, irrevocable and unconditional
18 obligation of the Company to make the payments required by the
19 Loan Agreement and (b) monies realized from any and all
20 collateral (including the Industrial Building) pledged as
21 security for the Loan.

22 6. None of the receipts and revenues of the County
23 from the Bonds or the Agreements shall be set aside as a
24 depreciation account (mentioned in the Act).

25 7. The best interests of the County will be served by
26 selling the Bonds to Commercial and Savings Bank or other
27 purchaser approved by resolution of the Harford County Council
28 at private (negotiated) sale, as authorized by the Act, upon
29 the terms and conditions approved by the County as set forth
30 in this Ordinance.

31 Section 2. BE IT FURTHER ENACTED BY THE COUNTY COUNCIL
32 OF HARFORD COUNTY, MARYLAND, that, subject to the provisions

1 of this Ordinance, the County is authorized and empowered
2 pursuant to the Act, to issue and sell its Harford County,
3 Maryland, Industrial Development Revenue Bonds (Courtland
4 Hardware, Inc. Project) in a principal amount not to exceed
5 Eight Hundred Twenty Five Thousand Dollars (\$825,000), such

10 (Courtland Hardware, Inc. Project)", shall bear interest and
11 be payable as provided in subsequent resolutions approved by
12 the Harford County Council, and shall be in substantially the

8 approved by the County Council of Harford County ("Resolutions").
9 Reference is hereby made to the Ordinance and Resolutions for
10 the provisions, among others, with respect to (A) the nature
11 and extent of the security for this bond, (B) the rights,
12 duties and obligations of the County (C) the terms upon which
13 this Bond is issued and secured and (D) the modification or

17 assents to all of the provisions of the Ordinance and
18 Resolutions and agrees to be bound thereby.

19 This Bond is issued for the purpose of financing, in
20 whole or in part, the cost of the acquisition (as defined in
21 the Act) by Courtland Hardware, Inc. of an Industrial Building
22 (as defined in the Act) in Harford County, Maryland (the
23 "Industrial Building"), and paying expenses incidental thereto
24 so as to help relieve conditions of unemployment in the State

31 This Bond and the redemption premium (if any) and
32 interest hereon shall not be deemed to constitute a debt or

1 a general obligation or a pledge of the faith and credit of
2 the State of Maryland or of Harford County, Maryland, and does
3 not directly, indirectly or contingently obligate said State
4 or County to levy or to pledge any form of taxation whatever

13 hereon shall ever constitute an indebtedness or a charge
14 against the general credit or taxing powers of the County
15 within the meaning of any constitutional provision or statutory
16 or charter limitation and neither shall ever constitute or give
17 rise to any pecuniary liability of the County. No recourse
18 shall be had for the payment of the principal of, or the

25 Bank, as agent for the holder of this Bond, in a separate and
26 special fund created by the Ordinance, to be used by the Bank,
27 as agent for the holder of the Bond, for the payment of the
28 principal of and interest on this Bond.

29 The County may under certain circumstances prescribed
30 in Section 6 of the Ordinance be required to pay (but only
31 out of amounts made available to the County by the Company
32

1 or others for such purposes) all or part of the principal of
2 this Bond plus accrued and unpaid interest before maturity upon
3 the terms provided in such Section 6 of the Ordinance. In the
4 event of partial prepayment, the holder hereof shall surrender
5 this Bond to the Bond Registrar (hereinafter referred to), for
6 notation hereon that this Bond, to the extent of the amount
7 prepaid, has been partially prepaid. In the event of a partial
8 prepayment of this Bond, the sums applied to the prepayment
9 shall be applied to the prepayment of the principal hereof
10 in the inverse order of the monthly installment payment dates.

13 by the acceptance of this Bond, the holder hereof assents to
14 such prepayment provisions and agrees to be bound thereby.

15 Notice of any such prepayment shall be given at least
16 two (2) banking days prior to the prepayment date by mailing
17 and by telegraphing to the registered owner of this Bond a
18 notice fixing such prepayment date, the amount of principal
19 to be prepaid and the interest to be paid through the prepay-
20 ment date. The notice required herein to be given may be
21 waived by the registered owner of this Bond.

22 All payments hereunder shall be made in immediately
23 available funds at the office of Commercial and Savings Bank,
24 Bel Air, Maryland. If any principal or interest payable hereon
25 falls due on any day other than a banking day at the Bank,
26 then such payment date shall be extended to the next succeeding
27 full banking day.

28 In the event any installments of the principal and
29 interest, or payment of interest, as hereinabove provided,
30 is not paid when due and payable, such installment of principal
31 and interest, or payment of interest, shall bear interest at
32 the rate of per annum until paid.

1 This Bond shall be registered as to both principal and
2 interest. The Bank shall serve as Bond Registrar, and shall
3 keep at its principal office in Bel Air, Maryland, for so
4 long as this Bond remains outstanding, books for the regis-
5 tration and transfer hereof. When used herein, the term
6 "holder of this Bond" shall mean the registered owner from
7 time to time of this Bond. The initial holder of this Bond
8 shall be the Bank.

9 This Bond shall be transferable only upon the books
10 maintained by the Bond Registrar by the registered owner hereof
11 in person or by his attorney duly authorized in writing, upon
12 surrender hereof together with a written instrument or transfer
13 satisfactory to the Bond Registrar duly executed by the regis-
14 tered owner or his duly authorized attorney. This Bond is a
15 "security" within the meaning of Article 8 of the Maryland
16 Uniform Commercial Code, and, notwithstanding the provisions
17 herein contained for registration, is, and shall remain,
18 negotiable. The laws of the State of Maryland shall govern
19 the construction of this Bond.

20 The County, the Bank, any trustees under any trust
21 agreement for the holder of this Bond, and the Bond Registrar
22 may deem and treat the person in whose name this Bond shall
23 be registered as the absolute owner hereof, whether this Bond
24 shall be overdue or not, for the purpose of receiving payment
25 of, or on account of, the principal of and interest hereon and
26 for all purposes, and all such payments so made to such
27 registered owner or upon his order shall be valid and effectual
28 to satisfy and discharge the liability upon this Bond to the
29 extent of the sum or sums so paid, and neither the County nor
30 the Bank, as agent for the holder of this Bond, nor the Bond
31 Registrar shall be affected by any notice to the contrary.

32 Within sixty (60) days after receipt of a written request

1 from the holder hereof (or within such longer period as may be
2 reasonably required for the authorization, issuance and prepara-
3 tion of bonds) the County will take action necessary to cause
4 serial bonds to be duly authorized and issued, to the extent
5 permitted by applicable laws, in order that this Bond may be
6 exchanged for a series of serial bonds. Any serial bonds so
7 authorized and issued shall be substantially in the same form
8 as this Bond, with only such changes in amounts, dates and
9 other details as may be necessary. All such serial bonds shall
10 (a) bear interest at the same rate, and (b) be ratably and
11 equally secured by, and entitled to the benefits of, the
12 Ordinance and the security for the repayment of the Bond
13 provided for therein. Any expenses incurred by the County in
14 authorizing and issuing any such serial bonds shall be paid
15 by the Company.

13 the Bonds nor the interest payable thereon shall ever constitute
14 an indebtedness or a charge against the general credit or taxing
15 powers of the County within the meaning of any constitutional
16 or charter provision or statutory limitation and neither shall
17 ever constitute or give rise to any pecuniary liability of the
18 County.

32 place.

1 When the principal of and interest on the Bonds shall
2 have been fully paid, the Bonds shall forthwith be surrendered

5 OF HARFORD COUNTY, MARYLAND, that the Bonds shall be registered
6 as to both principal and interest. The Bank shall serve as

16 The County, the Bank as agent for the holder of the

20 for the purpose of receiving payment of, or on account of,
21 the principal of and interest on the Bonds and for all other
22 purposes, and all such payments so made to such registered

26 nor the Bond Registrar shall be affected by any notice to the
27 contrary.

28 The Bonds shall be in the denomination of Five Thousand

4 Intent, by authorizing the issuance and sale of the Bonds
5 pursuant to the Act, and by using the proceeds thereof for the
6 purposes described in this Ordinance and in the agreements for

8 the Loan Agreement and other documents as may be approved by
9 Resolutions adopted by the Harford County Council, the Bond

24 or any of the aforesaid documents shall cease to be such
25 officer before the delivery of the Bonds or any of the other
26 documents aforesaid, such signature shall nevertheless be valid

7 the County stating that (a) the Bank has purchased the Bond
8 as a commercial investment and not with a view to redistribute
9 the same to the general public, and (b) the Bank has not relied
10 upon the County or its agents for or received from the County

20 provisions, sentences, clauses, sections, or parts of this
21 Ordinance or their application to other persons or circumstances.
22 It is hereby declared to be the legislative intent that this
23 Ordinance would have been passed if such illegal, invalid or
